How to connect the electricity

All Lundby houses are made in a sturdy plastic selected specifically to permit a lighting system to be incorporated into the product, ready for lighting in every room.

It's easy to install lights in your doll's house. Just connect the Lundby power supply to the house.

PLEASE NOTE: Lundby electrical accessories may only be used together with a Lundby power supply in a Lundby doll's house.

Lundby was the first in the world to install electric lighting in its doll's houses.

Connecting cord between the house and extension is included in 60.1009 and 60.7020
